

In 1927 an organization named "The Izmir Association of Industry" was founded in Izmir and was the first of its kind in Turkey. In 1993 the Association merged its activities as "Izmir Chamber of Industry". In 1994, its name changed to "Aegean Region Chamber of Industry" by special permission from the Ministry, incorporating its members from 1994 to 2004. In 2005, the Chamber has moved its activities to the cities of Izmir, Aydin, Manisa and MUGLA. However, according to the Chamber's Statute, its members are only from Izmir, Aydin, Manisa and MUGLA. The Chamber has 6,000 members, 600 of them are from Izmir, 1,000 from Aydin, 1,000 from Manisa and 3,000 from MUGLA. The Chamber is the only regional chamber in Turkey with over 6,000 members. Joint stock 50%, limited liability partnership 50%. Unincorporated firms 52% and incorporated firms 48%. The Chamber's main activities are to provide technical assistance to industrial development in the region, to strengthen the relations between governments and industrialists, to present to the public and the authorities its effective opinions and proposals in a manner helpful to applied economics policies.

The main functions of our Chamber can be stated as follows:

- To strengthen professional ethics and loyalty.
- To work for the development of the industry according to general interests.
- To have a necessary research done and to compile statistics about industry.
- To provide such business aids as documents concerning industrial capacity, research and expertise reports for the members, and to issue documents such as Certificate of Origin, AT 1 and AT 85 forms for exporters.
- To organize industrial exhibitions.
- To organize technical training courses for companies to give scholarships for needy students.
- To set an information center and internet organization.
- To organize seminars and conferences for members.
- To set an information center and internet organization.
- To organize seminars and conferences for members.

The decision body of our Chamber is the Assembly. It is composed of 99 members elected from each of 46 different Professional Committees for a four-year period. The Assembly meets once every two years. It is presided over by a Chairman and two Deputy Chairmen, which has an assigned Secretary General and 11 members elected from the Assembly every two years. It is supported by the Board of Executive Directors, which has an assigned Secretary General and 11 members elected from the Assembly every two years. It is supported by the Board of Executive Directors, which has an assigned Secretary General and 11 members elected from the Assembly every two years. It is supported by the Board of Executive Directors, which has an assigned Secretary General and 11 members elected from the Assembly every two years. It is supported by the Board of Executive Directors, which has an assigned Secretary General and 11 members elected from the Assembly every two years.

The Chamber has close relations with the other professional chambers, associations and unions. Our Chamber participates in the activities of "The Union of Chambers and Industry of Turkey", which is the highest council of the chambers in Turkey and cooperates in the activities and services conducted and performed by the Union.
